Alumni Pathways is a team that supports and guides TCF students after they complete their matric from a TCF School.

Our goal is to empower TCF alumni through guidance, career counselling, and scholarship support, and to help them connect with the best learning and professional opportunities.

We aim to develop the skills of TCF alumni and enable them to improve their own lives, as well as support their families and communities.

Attached PDF (TSP Student Guide)

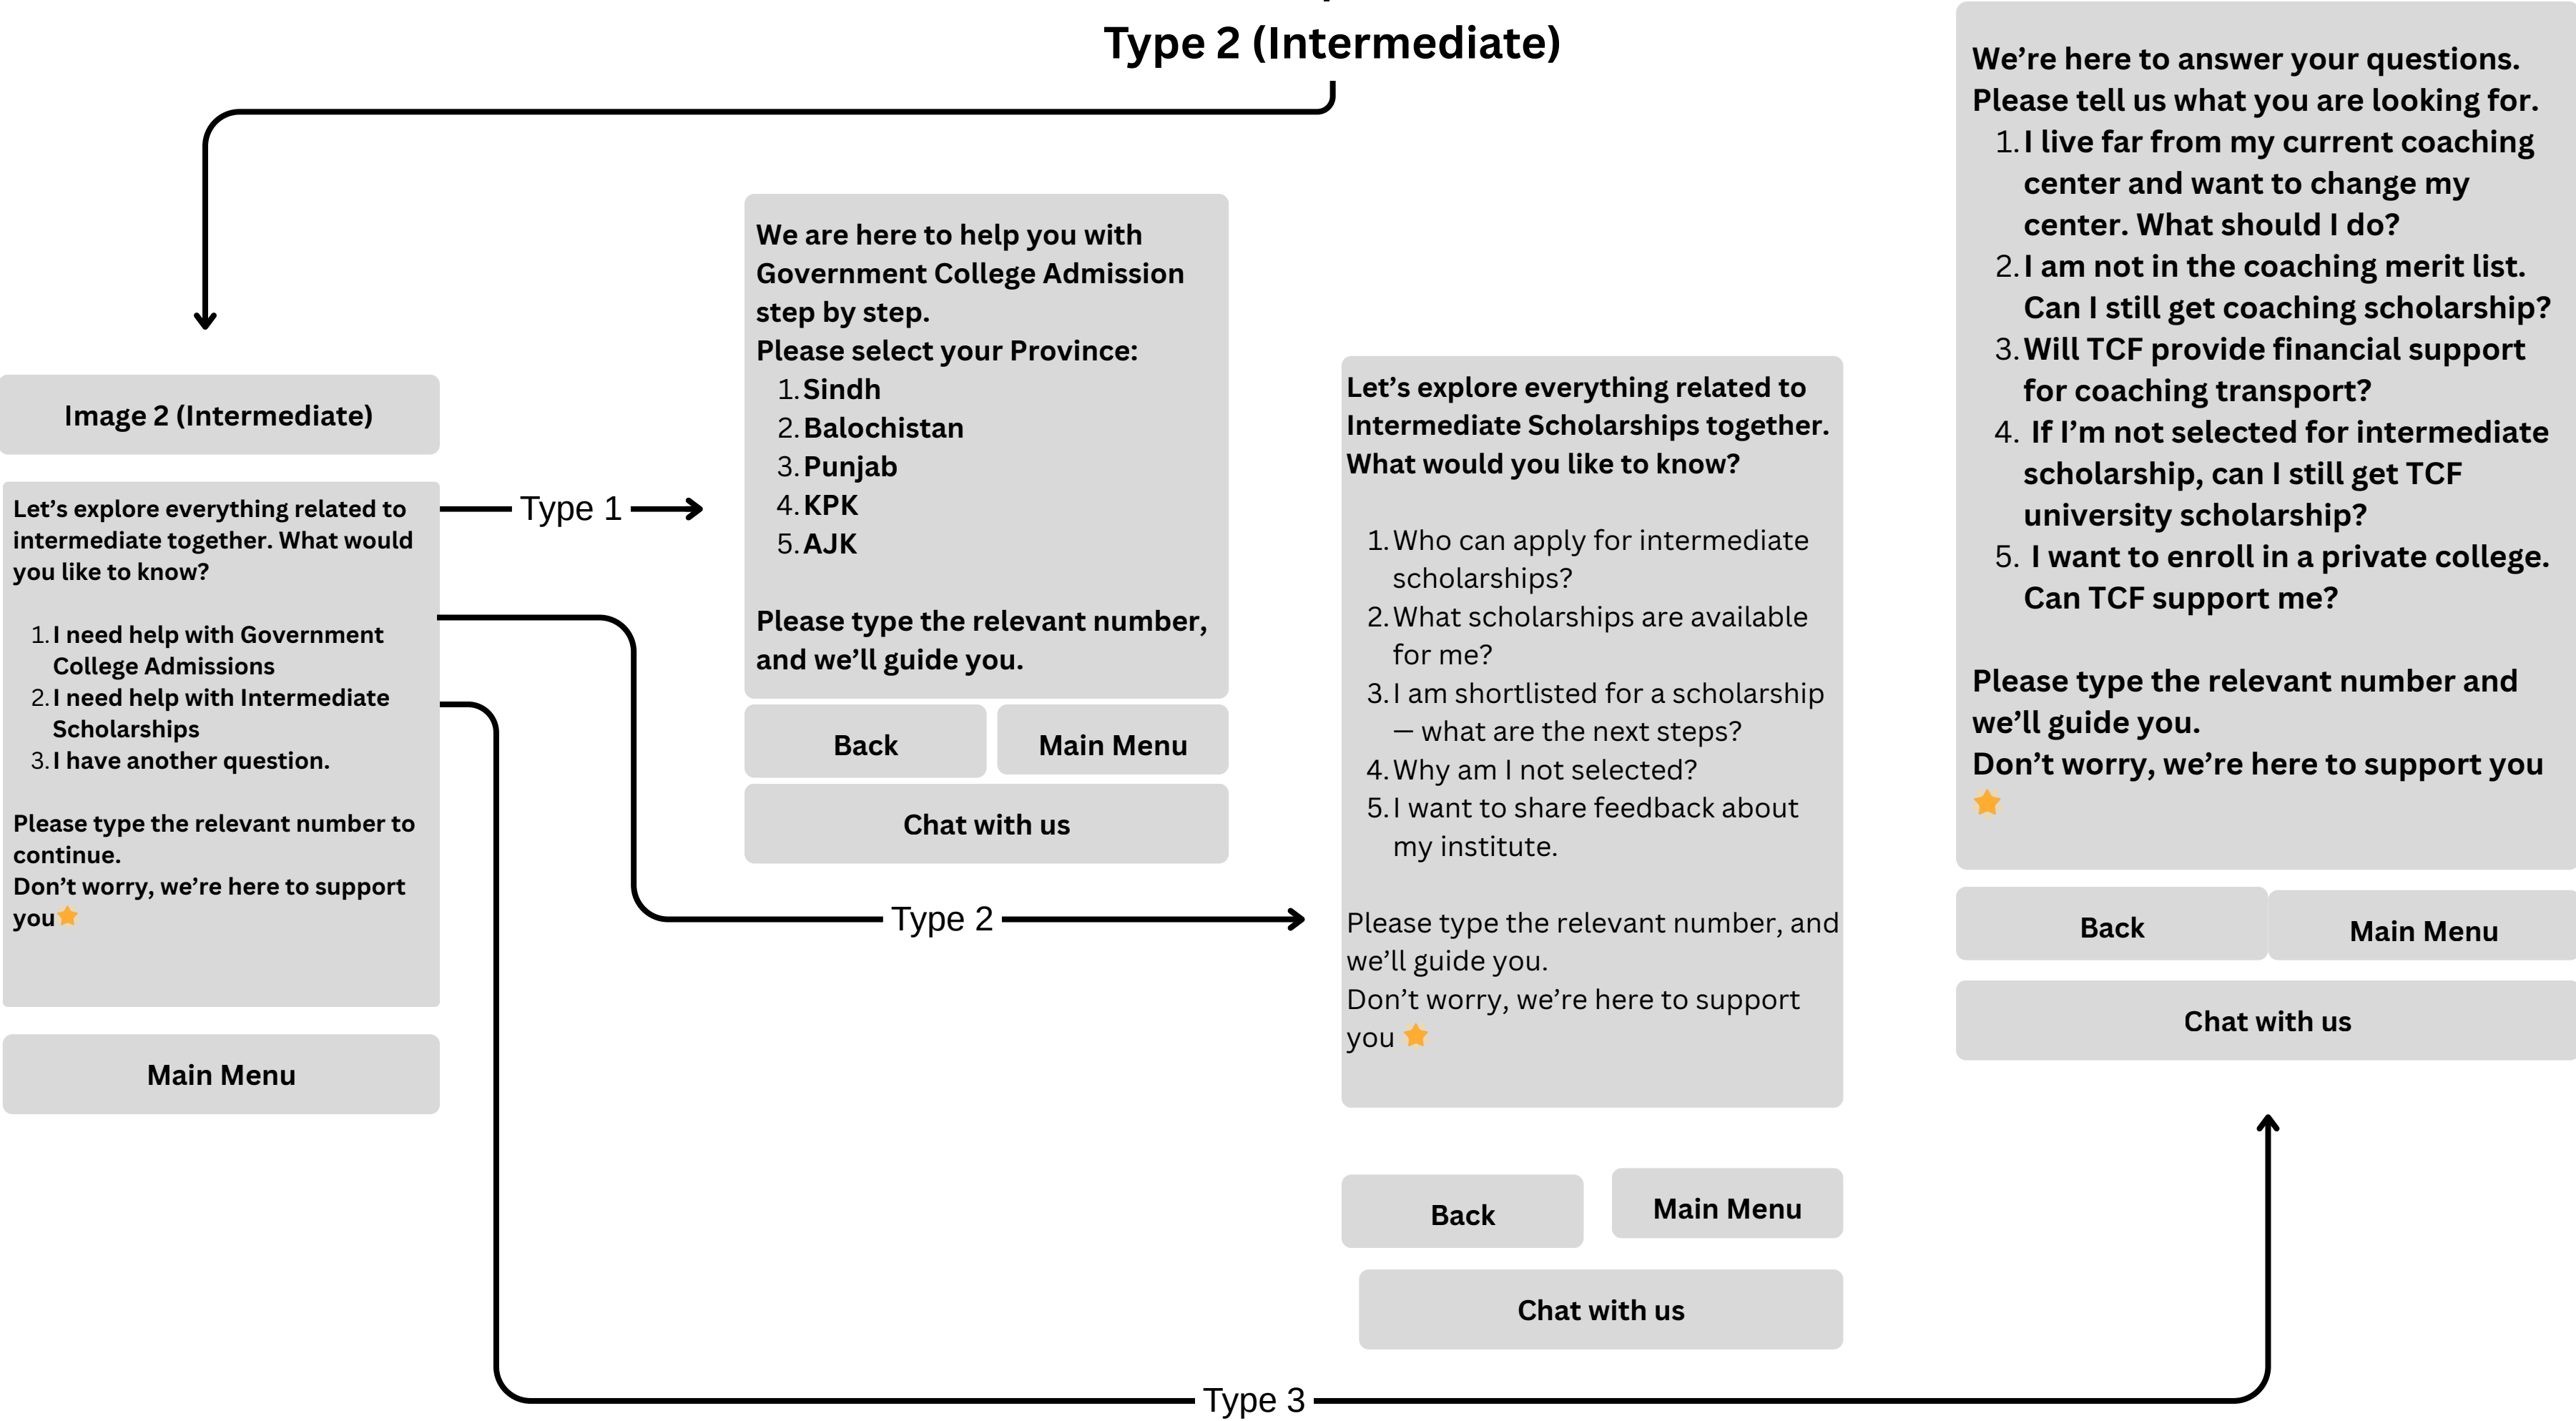

After completing matriculation from a TCF school, the Alumni Pathways Team supports you in navigating your next steps. We offer support for:

- Career and academic counselling
- Intermediate and university scholarships
- Skills development programs

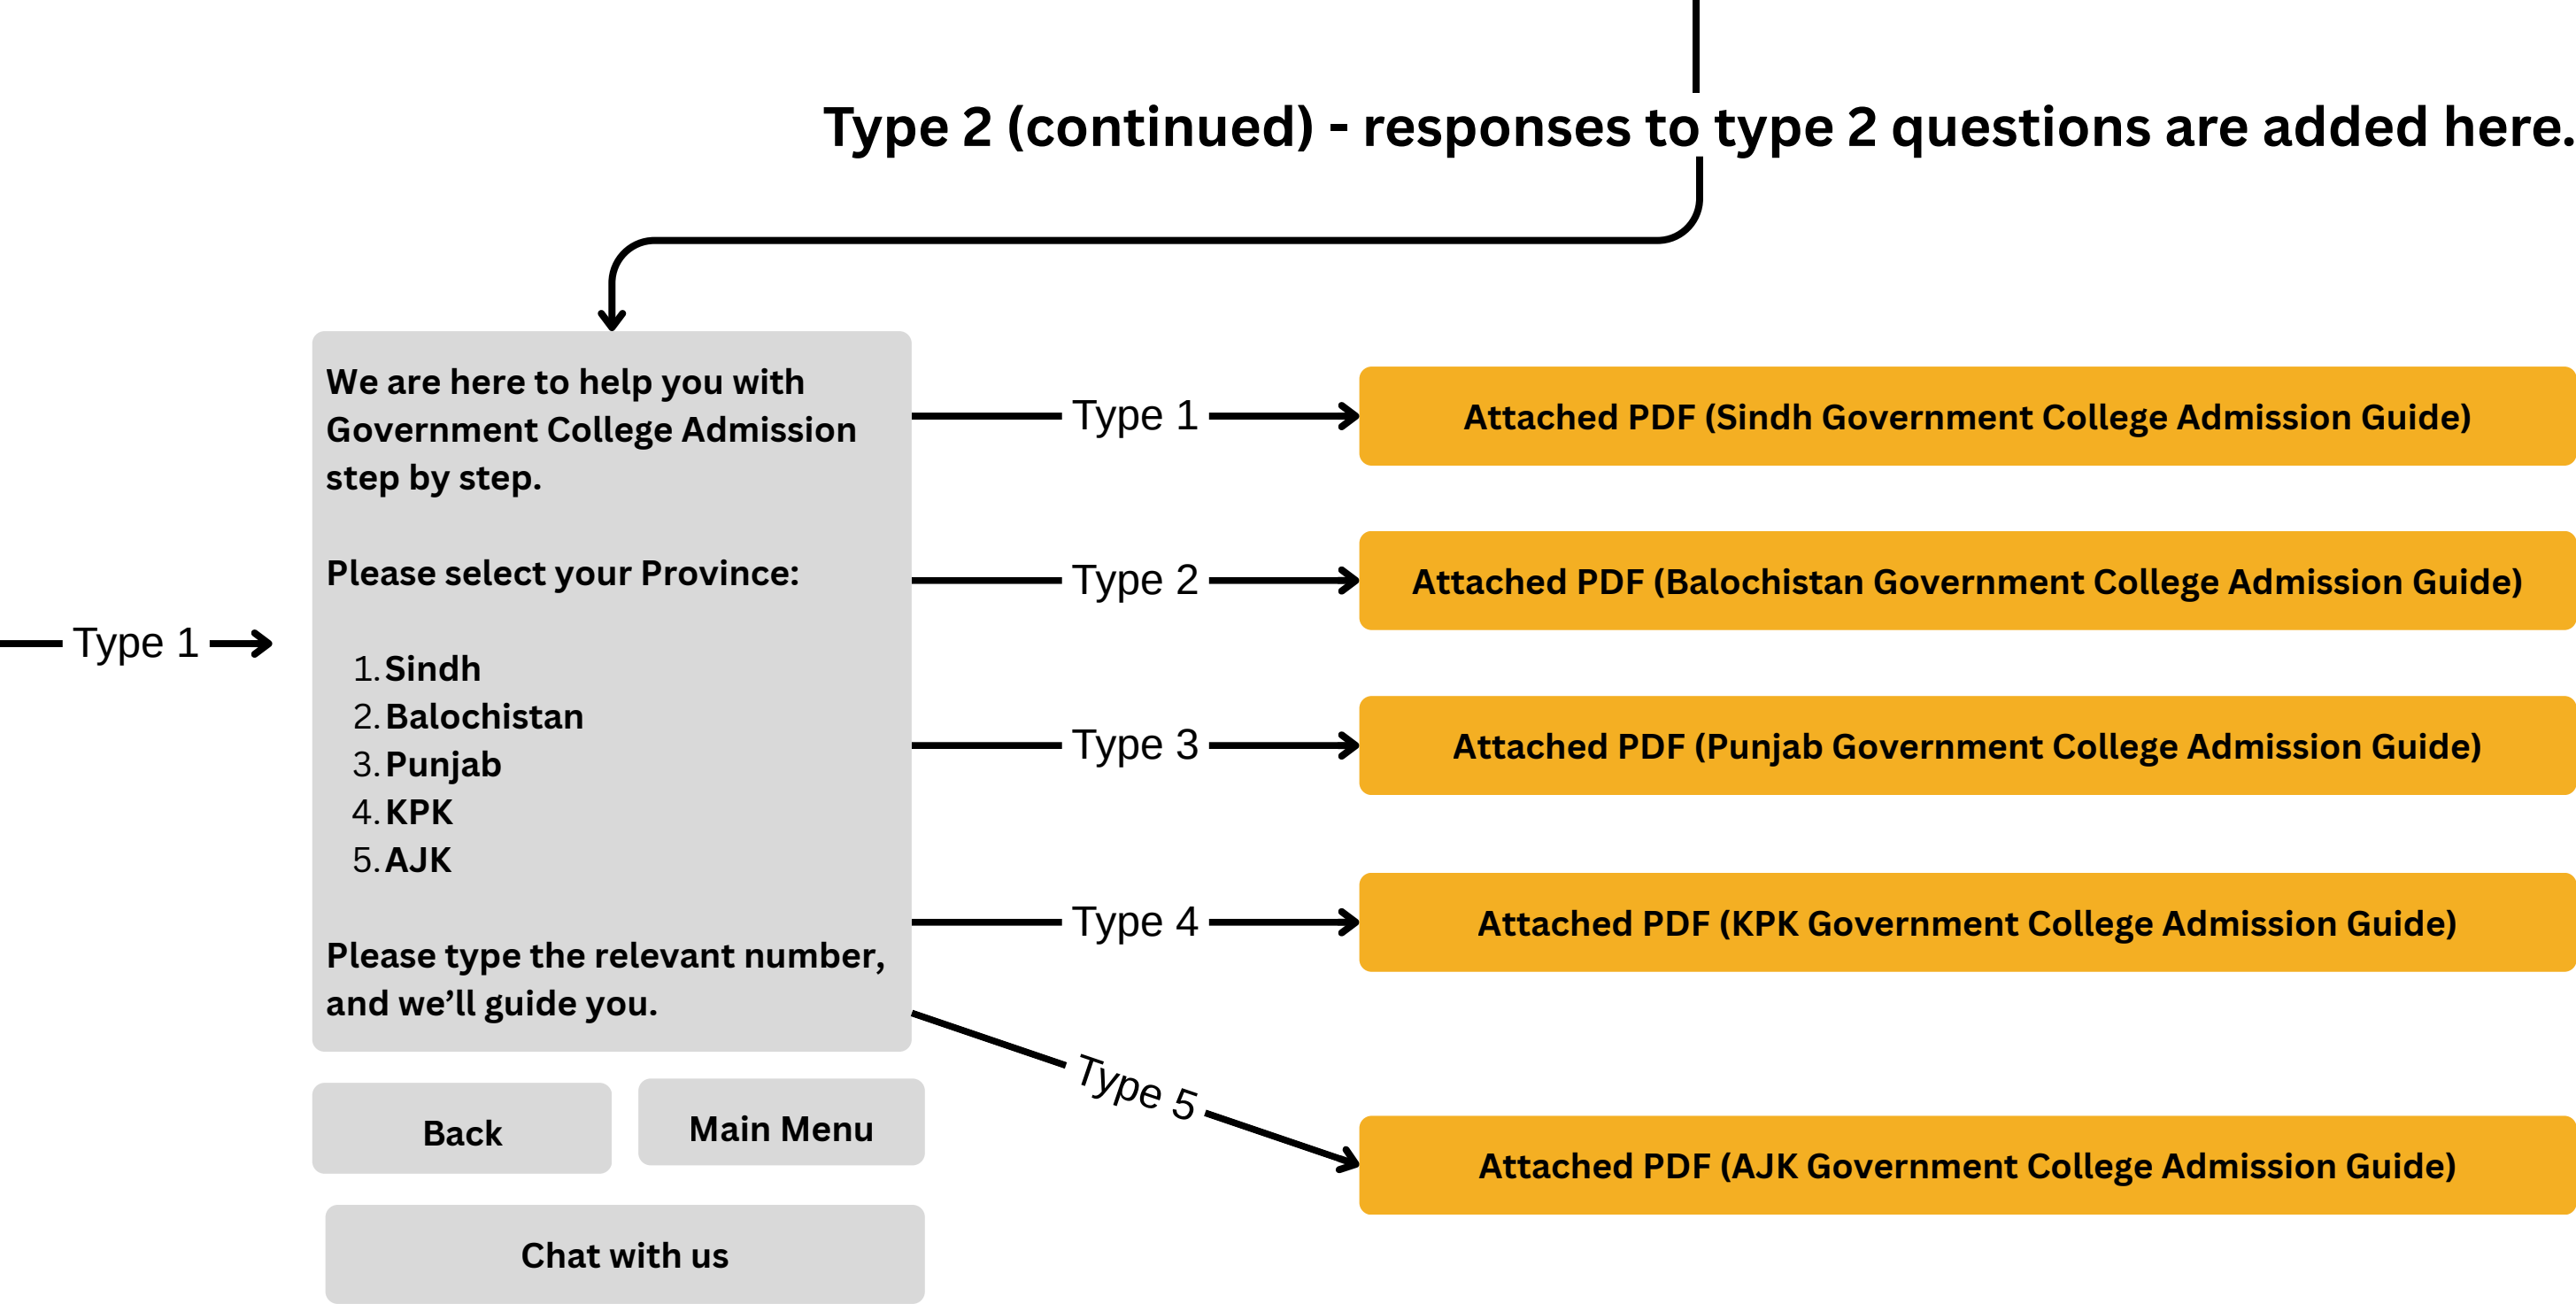

“Your journey doesn’t end after matric — it’s only just beginning.”

Any TCF alumni who has completed their matriculation from a TCF school can apply for intermediate scholarship.

Type 2 →

The following scholarships are available:

- Private College Scholarship – Financial support to study at a private college.
- Coaching Program Scholarship – Support to join coaching that help prepare for exams.
- UTP (University Test Preparation) Scholarship – Support for programs that help students prepare for university entry tests.

Note: Scholarships are available based on your location (Sindh, Balochistan, Punjab, KPK, or AJK). Not every scholarship is offered in every area.

Type 3 →

Intermediate scholarships are closed for this year. The scholarships for next year (2026–2027) will be announced in June/July 2026.

Type 4 →

Students are selected based on merit (9th or Matric class marks). Unfortunately, due to low academic scores, you were not shortlisted for intermediate scholarship.

Type 5 →

We'd love to hear your feedback! Please type your comments below and include your Institute Name and Federal Board Registration/Matric Roll Number so our team can review it properly.

★

Type 1 →

Unfortunately, due to limited seats, we cannot offer the Intermediate Scholarship if your name is not on the merit list. However, you may still apply for fee discounts or financial aid at our approved coaching centers.

Type 2 →

TCF does not provide financial support for transport.

Type 3 →

You can still qualify for TCF's university scholarship, even if you didn't receive intermediate support. To be eligible for the university scholarship, you need to score at least 55% in your last available intermediate results.

Type 4 →

TCF offers merit-based scholarships for students who qualify according to the scholarship criteria. If you meet the required merit and eligibility, you may receive support for studying at a private college.

Students who completed matriculation from TCF schools can apply for the TCFC scholarships.

- 70% or above in 9th grade → directly eligible for Selection Camp
 - Below 70% in FBISE results of the 9th grade → Must appear in HSST (Higher Secondary Scholarship Test)
 - Failed in 9th grade → Not eligible to appear in HSST (Higher Secondary Scholarship Test)
- Scholarships are awarded strictly on merit.

Before FBISE Board Exams → HSST is conducted (for eligible students)

- Selection Camp is conducted from Mid-April to Early May
 - Classes begin from June
- Students are informed about each stage through their respective schools.

Admission to TCF College is competitive and merit-based. A student may not be selected due to the following reasons:

- Marks below the required merit threshold.
- Low scores during the selection camp.
- Incomplete documentation or missed deadlines.
- Limited seat availability.
- High competition among applicants.

Type 1

UTP (University Test Preparation) Scholarship provides support for programs that help students prepare for university entry tests. These programs help students improve their subject knowledge and test-taking skills for university admissions.

Type 2

TCF alumni who scored minimum 55% in 1st year/Inter board exams and have passed all their examinations can register for UTP.

Type 3

UTP starts after first year results are announced, typically in October or November.

Type 4

TCF partners with several coaching institutes across Sindh, Balochistan, Punjab, and KPK for UTP (University Test Preparation).
If you are shortlisted for the UTP scholarship, you will be provided with a list of partner institutes nearest to your residence.

Type 5

UTP scholarships are closed for this year. The scholarships for next year (2026–2027) will be announced after the 1st-year/Intermediate board results.

You can apply to other universities or the spring session where applicable. Contact the team at 0333-1157662 for counselling if you need guidance.

You should re-appear for the failed papers and after receiving your result, apply for the TSP scholarship.

You should re-appear for the failed papers and after receiving your result, apply for the TSP scholarship.

Standard processing time for fee payment is 7 working days. For urgent deadlines: promptly fill the admission confirmation form and notify the team of your deadline. If already approved for the specific discipline/degree, the team will request the university to extend the deadline. For public sector universities there may be an initial need to pay the fee; TCF will facilitate reimbursement subsequently.

There are primarily four major streams where various courses can be offered. The following are the major streams for the Alternate Competency Pathways.

1. **Digital Skills Courses:** Digital skills in the workplace can include original content creation, e-commerce, cyber security, UX/UI design, graphics designing, web development, digital marketing, social media marketing, and data analytics etc.

1. **Entrepreneurship Courses:** An entrepreneurship course is designed to help you learn how to start and run your own business. It teaches you things like creating a business plan for your business idea, understanding what people need, and identifying the problems they face in daily life. The course guides you in turning those needs and problems into a business.

1. **Vocational Courses & Professional Diplomas:** Vocational courses and professional diplomas are educational programs that focus on providing practical skills and training in specific industries or professions. These courses are designed to prepare individuals for specific careers and equip them with hands-on knowledge and expertise required in the workforce.

1. **Apprenticeships offered by industries:** Apprenticeships in industries are training programs where individuals, called apprentices, learn practical skills and gain work experience with guidance from experienced professionals. Sponsored by businesses, these programs prepare individuals for specific roles or trades. Apprenticeships include hands-on training on the job and classroom instruction, helping apprentices learn both practical and theoretical aspects of their chosen field.
