THE CITIZENS FOUNDATION
Alumni Pathways

What You Must Know

1. Your Degree Basics
2. Key Subjects in Your Degree
3. University Options
4. Industry/Career Opportunities
5. Your Future Goals

Degree Awareness

✓ **What degree do you want to study and how long is it?**

Example: 4-year BS, 5-year professional degree, etc.

✓ **Which intermediate faculty is connected to your degree?**

(Pre-Medical, Pre-Engineering, Commerce, Humanities, ICS, etc.)

✓ **What subjects or courses will you study in this degree?**

Be ready to name key subject areas related to your field.

Review the program curriculum from universities websites for this.

Degree Awareness

✓ Which universities in Pakistan offer your chosen degree?

Also think about: Which university do you prefer and why?

Its also important to know the location of the universities you want to apply to.

✓ What academic skills or strengths are helpful for this degree?

(Examples: Math Skills, Analytical Thinking, Communication, Empathy)

✓ What jobs or careers can you pursue after this degree?

Know at least 5 entry level job positions/roles.

✓ Which companies or organizations hire graduates in your field?

Know the names of a few relevant employers.

(Examples: HBL, UBL from the banking sector, hospitals and clinical labs like Ziauddin, DOW or Essa Labs or software companies like Systems Lt., 10Pearls etc.)

Future Goals & Motivation

Interviewer may ask:

- Why do you want to study this degree?
- How did you choose this field?
- What are your long-term goals?
- Where do you see yourself after completing this degree?

English Suitability

You may be asked simple questions in English such as:

- “Can you tell me about your daily routine?”
- “Why is English important for your degree?”

They are checking confidence – not perfection.

Family Support & Background

Expect questions like:

- “Who helps you make education decisions at home?”
(Understanding how supportive your family is)
- “Do you or your siblings work to support the family?”
(Checking responsibilities or financial pressure)
- “Are your siblings currently studying?”
(To understand the education environment at home)

Tips for Success

- Research your degree properly.
- Know at least 3–4 universities offering your program.
- Be clear and honest about your goals.
- Speak slowly, clearly, and confidently.
- Show motivation and readiness for university.

Best of luck!
